EXPERIENCE

TWO TWELVE: NEW YORK, NY

Junior Designer, March 2017 – (current)

Conceptualize and design signage and wayfinding systems for medical, corporate, and residential buildings. Create and participate in client presentations of these systems.

ARTBOOK @ MoMA PS1: NEW YORK, NY

Intern, Fall 2016

Processed sales, managed shipping and receiving, managed social media accounts on multiple platforms, and assisted in events including the Printed Matter New York Art Book Fair, Stoop Sale, and Night at the Museum.

THIKIT: KINGSTON, NY

Production Associate, Summer 2015

Managed files and shipments and assisted in print production from quality control to finishing. Finishing included airbrushing, lamination, and mounting of business cards and other print based media.

ESQUIRE MAGAZINE: NEW YORK, NY

Design Intern, Summer 2014/2015

Created page layouts for print, multiple icon sets, retouched and manipulated photography, assisted photo shoots, and managed and gathered content from the archive of back-issues.

CORNING INCORPORATED: CORNING, NY

Business Coordinator, Summer 2013

Managed the transition from print to digital resources in science library, data entry, and technical assistance. Created new signage system to update collection listings and expedite the renting process.
